How to Have a ✓ Successful Semester

A comprehensive checklist to help you succeed this semester

Have to miss a class?

- [ ] Check the syllabus for the class and see what their policy is for missing
- [ ] Ask someone in your class if you can borrow their notes
- [ ] Attend the professor's office hours to catch up on what you missed

Feeling lonely on campus?

- [ ] Find a student organization to join on MU Engage
- [ ] Check out the Bark emails every Monday to see what events are happening on campus
- [ ] Reach out to someone in your class to see if they'd like to study
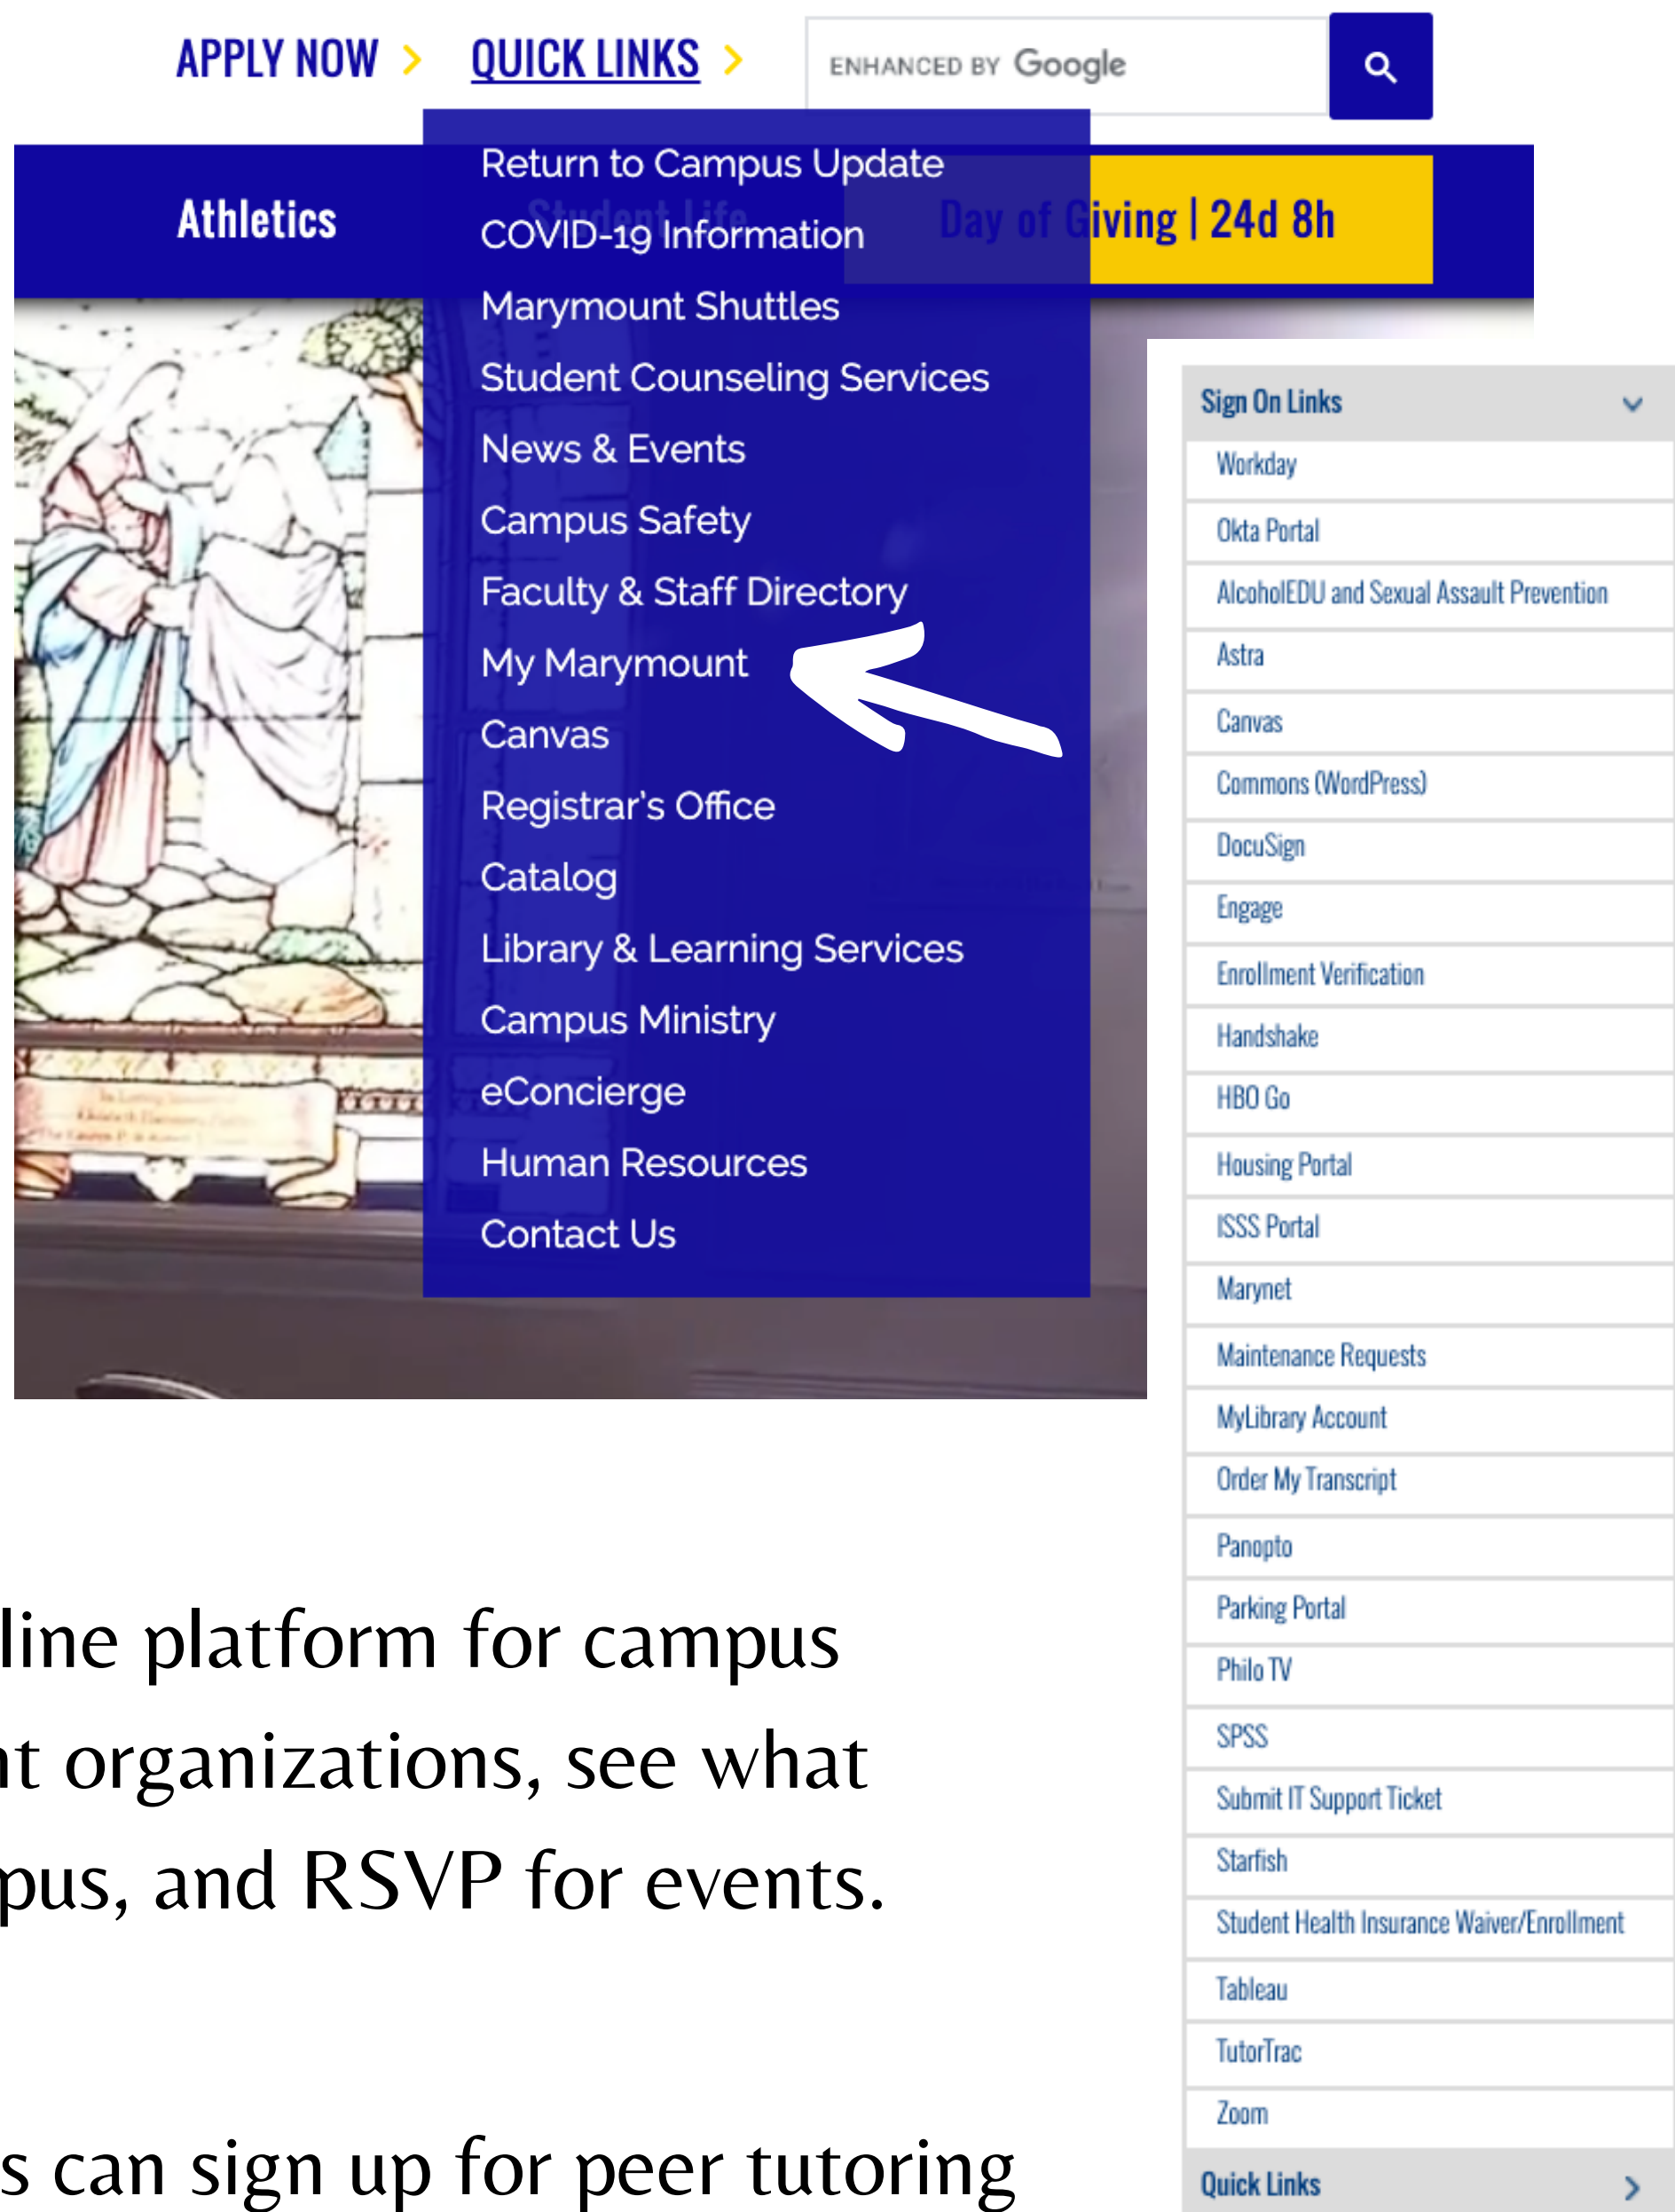

Unprepared for an exam?

- [ ] Make an appointment with a Peer tutor on TutorTrac
- [ ] Set a time in your schedule just to study
- [ ] Create your ideal study environment and remove all distractions
- [ ] Quiz yourself using your notes and other class materials

Lost on how to use Marynet?

- [ ] Make an appointment with your academic advisor on Starfish
- [ ] Make an appointment with a Peer Coach on Starfish
- [ ] Ask your Community Assistant (CA) to help guide you through it
- [ ] Try and explore it on your own. Click around and see where you go

What is MU Engage?

Engage is Marymount's online platform for campus events. Find and join student organizations, see what events are happening on campus, and RSVP for events.
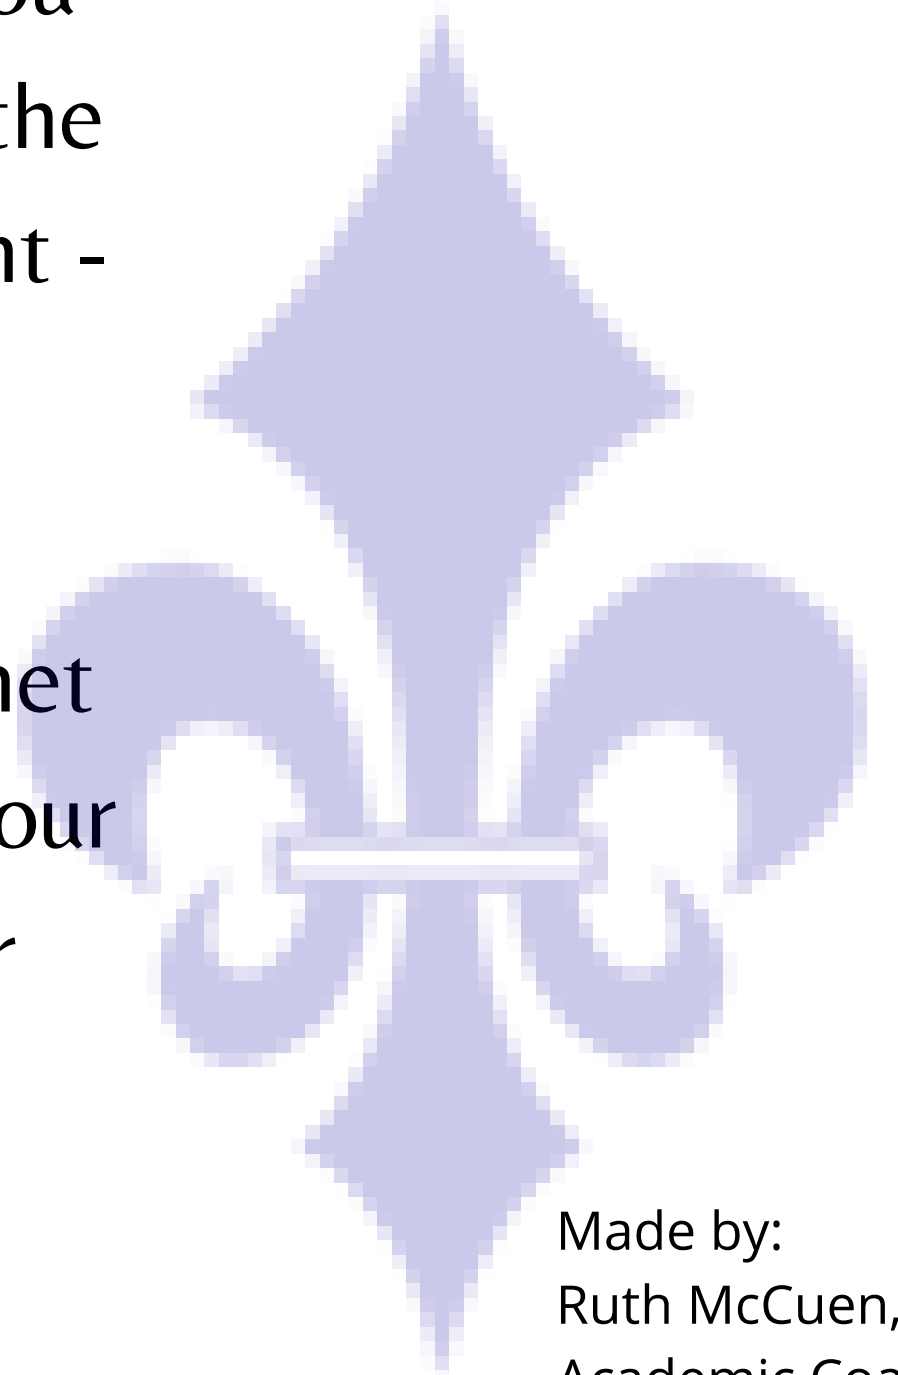

What is TutorTrac?

TutorTrac is where students can sign up for peer tutoring meetings. Once on TutorTrac click on search availability. You can choose from either Zoom or in-person sessions. Select the course you need help in and be sure to select "course content - one on one" or "writing consultation - one on one".
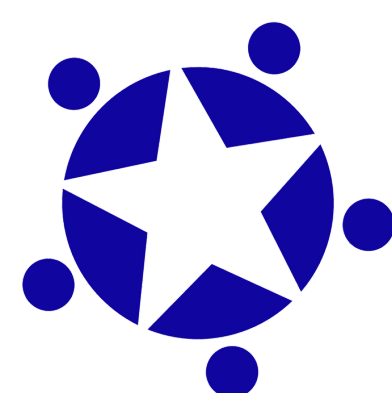

What is Marynet?

Marynet is the hub for all administrative things. Use Marynet to plan and schedule your classes, register for classes, pay your tuition, view and request your transcript, and update your personal information.

What is Starfish?

Starfish is the online platform that students use to make appointments with faculty and staff. Students can make appointments with Professors, Academic Advisors, and Peer Coaches.
