

ENHANCE YOUR BRAIN HEALTH WITH THE KAER TOOLKIT

KAREN TRACY

Vice President of Strategic
Alliances and Integrated
Communications,
Gerontological Society of
America (GSA)

Although in-person
participation is encouraged,
we are pleased to offer this
event in a hybrid format. A
Zoom link will be provided
upon registration

We cordially invite you to an exciting in-person presentation with Karen Tracy, a renowned expert in the use of the KAER TOOLKIT for brain health. Karen will show us the importance of early cognitive function screening for brain health by using the KAER toolkit. The presentation will include practical methods and approaches to introduce clinically validated tools that can be effortlessly incorporated into a variety of healthcare practices and community services.
