CHOOSING A DENTIST

You may select the dentist of your choice. However, to get the full advantage of your Delta Dental coverage, you should choose a dentist who participates in the Delta Dental network(s) covered by your plan.

Delta Dental PPO™ dentists have agreed to accept Delta Dental's PPO™ plan allowance, plus any required coinsurance and deductible (if applicable) as payment in full. Delta Dental Premier® dentists have not agreed to accept the Delta Dental PPO™ plan allowance as payment in full. You are responsible for any required coinsurance and deductible (if applicable), as well as the difference between the Delta Dental PPO™ and Delta Dental Premier® plan allowances. Delta Dental PPO™ and Delta Dental Premier® dentists will submit claims directly to Delta Dental and we will issue the payment to the dentist.

Non-Participating dentists have not agreed to accept Delta Dental's plan allowance as full payment. After Delta Dental pays its portion of the bill, you are responsible for any required coinsurance and deductible (if applicable), as well as the difference between the non-participating dentist's charge and Delta Dental's payment. Payment will be made to you, unless Virginia law requires otherwise.

Please visit DeltaDentalVA.com to find a participating dentist in your area.
