

Formal Notice of First Academic Integrity Violation

I _____ acknowledge that I have been found responsible for an academic integrity violation, and I understand that a second violation has serious consequences:

- Failure of the course in which the offense occurred;
- Mandatory suspension or expulsion, as recommended by a hearing panel and approved by the Assistant Director of Community Standards; and
- A permanent record of the violation.

I also understand that the Office of Student Conduct and Conflict Resolution will maintain a file containing my first violation report for seven years after graduation or withdrawal from the university. I recognize that in the future, if I am ever concerned that a certain activity or method of documentation may not be allowed under the Academic Integrity Code, I need to consult the instructor, my academic advisor, or the Office of Student Conduct and Conflict Resolution beforehand.

I received formal notice of my first violation, and I understand the serious consequences of a second offense:
