Talk to one of our helpful Member Service Representatives in our branches, or call **703-709-8900** to find out what Northwest can do for you. We think you will see why our members turn to us time and again for their financial needs and consistently refer friends and family to join the Northwest family.

“I love banking at Northwest because I always get the best service. It is truly a place that serves its customers with a special something plus all the smiling faces are a bonus.”

Savings Accounts

Your initial \$1 deposit establishes your share of credit union ownership and opens the door to all of the member benefits Northwest has to offer. This **Savings Account** earns daily dividends. Additionally, we offer a **Rewards Savings Account, Money Market Accounts** with tiered rates, and **Certificates** with competitive dividends and flexible terms.

Northwest also offers **Individual Retirement Accounts (IRAs)** that allow you to enjoy the security of an insured account and earn dividends as you save for retirement.

We help kids get started on the right financial foot with our **Youth Club Accounts** and **Custodial Accounts**. Also available are **Trust Accounts** to help you manage your estate (both revocable and irrevocable).

“This was the first time someone actually listened to our story and read everything we provided her with. She never gave up on us or the process to help us achieve our goal.”

Robert and Shawn S.

Checking Accounts

We offer four checking account options with unique features to benefit your lifestyle and your wallet: **Choice Checking**, **Elite Checking**, **Dividend Rewards Checking**, and **Debit Rewards Checking**.

Visit nwfcu.org to learn more about the benefits each checking account provides and how you can enjoy free checking with rewards and free access to thousands of ATMs nationwide.

You will also have 24/7 access to your checking accounts with online banking and our mobile banking App. With online and mobile banking you can check balances, transfer funds, pay bills, and make deposits quickly and easily using your smartphone.

“Northwest has been my financial institution of preference for over ten years. Their services and staff at all levels have been exceptional.”

Auto Loans

Our competitive rates, personal service, and members-only conveniences take the hassle out of buying a new car. We can help you find the car of your dreams with our **Car Buying Service** through our partnership with TrueCar. Before you head out to a dealership, apply for a **Pre-Approved Auto Loan** and we will provide you with a check to bring with you so you can negotiate features, not payments.

Once you have your new vehicle, let Northwest help give you peace of mind with our optional vehicle protection services including **Guaranteed Asset Protection (GAP), Mechanical Breakdown Protection (MBP), Debt Protection,** and **Auto Insurance.***

“You really understand how large a role member service plays in making life better and easier for all. You are more than willing to go the extra mile for a member.”

*Insurance products and services are offered through NW Insurance Agency, a subsidiary of NW Capital Management (a wholly owned subsidiary of Northwest Federal Credit Union). At this time NWIA, together with its network of licensed insurance associates, provides auto and home insurance to residents in all but the following states: AL, AK, IA, MS, NB, ND, SD, WY. Credit Cards & Personal Loans

Our credit cards offer you some of the best features, values, and rates available without hidden fees and unexpected changes in benefits or card payment terms. All of our credit cards feature no annual fee, no cash advance fee, and no foreign transaction fee.*

Cardholders earn two (2) points for every \$1 in **NOW Plus Rewards Visa®** purchases everywhere.** You can redeem your rewards for travel, gift cards, merchandise, cash back, or as a cash donation to specific charity.

We also offer a **Visa® Platinum** and a **FirstCard Platinum Visa®** designed for members looking to establish (or re-establish) credit.

Northwest also offers a revolving **Line of Credit (LOC) Loan** that gives you the flexibility to borrow funds when you need them, and you can access the funds again and again without having to reapply. Or opt for a **Personal Loan**; the only collateral is your signature and you can use the funds for what you need, such as paying off high-interest credit cards or an unexpected expense. Looking to establish credit? A **Savings Secured Loan** allows you to borrow using the available funds in your savings account as collateral. With our **Certificate Secured Loan**, you can borrow using the available funds in your Northwest certificate as collateral.

*Your initial Annual Percentage Rate (APR) will range from 13.49% to 18.00% based on the product you choose and your creditworthiness. Rate as of 4/1/2025 and is subject to change. After this, your APR is subject to change monthly based on the Prime Rate published in the *Wall Street Journal* on the last business day of the prior month. Credit card rates apply to cash advances, balance transfers, and outstanding balances on purchases. There is no annual fee, no cash advance fee, and no foreign transaction fee. Balance transfers are subject to a 3% fee on the transaction amount.

**Point earnings are based on the net retail purchase transaction volume (i.e., purchases less credits, returns, and adjustments). Certain exclusions apply. Refer to the Consumer NOW Plus Rewards Credit Card Terms and Conditions for program details. 2x points offer valid as of 4/1/2025 for consumer NOW Plus Rewards credit card cardholders only.
